About the Founder

Brandy Vega is an entrepreneur, Army veteran, media professional, philanthropist and, most importantly, a mom who nearly lost a child to suicide. What began with one desperate plea has grown into Promise2Live!

Promise2Live is a global movement reaching millions with hope, connection and lifesaving resources. Our mission is simple: help people promise to reach out, connect them to trusted tools and resources, and build a community of connection before crisis.

OUR MISSION

Promise2Live saves lives by helping people promise to reach out, connecting them to trusted tools and resources and building a community of connection before crisis.

Make the Promise

Whether you are struggling or not, promise right now to get help!

2 STEPS TO MAKE THE PROMISE

1. **PROMISE** to reach out to friends, family, a trusted resource or **call or text 988** if you ever find yourself in a dark place!
2. **Share on social media. Help us stop the stigma, start conversation and SAVE LIVES!**

Studies show that if you make a promise, you are more likely to keep your commitment.

WE NEED YOU!

Give a Hug – Save a Life

YOU MATTER!

The Promise2Live Pocket Hug is a coin to keep in your pocket "Promise right now that if you ever find yourself in a dark place, you will reach out to a friend, family member, trusted resource, or call or text 988." It's a reminder that you are loved and the world is better with you in it!

Special Thanks

A heartfelt thank you to everyone who made the Promise2Live Global Show possible

To our incredible board, volunteers, partners, sponsors and supporters whose commitment makes this mission possible. To Jason Hewlett for carrying us through the night with heart and energy, and to every speaker, performer, presenter, survivor, celebrity and influencer who generously shared their voice and platform to help save lives.

Thank you to the Avalon Hollywood, our production team, crew, collaborators and the many people behind the scenes who gave their time, talent and resources to bring this night to life.

Above all, we thank God for His strength, guidance and the opportunity to serve. Together, we are delivering hope, help and healing and reminding people around the world that they are seen, they are loved and they are never alone.
